

# CHRISTIAN PILOTS ASSOCIATION OF ALASKA

February 2009

## FEBRUARY NEWSLETTER

**New Kodiak Aircraft @ Moody in Spokane, WA**

February Update  
By Danny Davidson

CPA sent out Christmas / thank you cards to all who donated in 2008. This resulted in return mail thanking us in return. So looks like we need to communicate a little more.

Much has happened this winter. Fairbanks took the plunge and started a chapter there. James Malingowski, President, and many strong people behind him. This was like the spark that started the fire. The Fairbanks paper was at the meeting and published a very nice article on Christian Pilots. That reporter also shared the story with the local TV reporter and she put the event on the evening news. I shared this with Rob Ray, a member of International Association of Missionary Aviation, living in Florida. Rob e-mailed a friend of his in the Big lake area, Tim Turner. Tim Turner was in my living room the next Saturday inquiring about a Big Lake chapter. Saturday the 21st of

## IAMA OSHKOSH UPDATE

20 Feb 09

Let me take this opportunity to bring you up to speed on the Fly for Life Tent. As you may know "Fly4Life" is our theme for Oshkosh '09 and this is reflected in our logo. By the way, the EAA liked the logo so much they asked if they could modify it and use it for the overall humanitarian feature (to which we agreed).

### IAMA is the showcase of the 2009 Oshkosh Air venture

Feb., James Lyman and I were invited to Glennallen to start-up a chapter there. Scott Strauss, President, and most of the airport residents and vendors behind him.

Oshkosh 2009, July 27 thru August 2, 2009. Airventure will showcase mission aviation. CPA has a booth there and are looking for mileage or an airline pass to send a representative to the event for a week.

I also fly for the Iditarod Air Force, a volunteer group of mostly Cessna ski plane owners that support the Iditarod sled dog race. Our treasurer is also a member. Last year we were given 50 copies of "Facing the Giants" and "Fly

Wheel" by Michael Catts, the producer. We distributed these to every check point along the Iditarod trail. This year we have 25 copies of "Fireproof" and "Bible Camp", Bible Camp is a Dayne Arnold production of the Kokrine Hills Story.

We recently had a flight request from Marvin Deacon, the pastor in Grayling, Alaska to fly kids to Anchorage to participate in the Native Christian Musical that is presented nightly at West High School. As we prepared for this trip we got notice of another need being initiated by Samaritans Purse.

Weather posed a coordination problem on the day of the flight, however we did get five in to

participate in the Musical.

Also, CPAA planes are being used for flight training 2 prospective missionary pilots.

**Mission Prayers / plans**

We continue with meetings in Tyonek, weather permitting. Please pray for Tyonek and for the Lord to be in each meeting there.

**March**

There is a trip planned to Nondalton weather permitting in mid March.

An illness has nearly halted a Skwentna bible study, we hope to continue this soon.

A flight is planned for Nondalton, King Salmon, Dillingham, Ekwok March 27-30.

**April**

April 3. Tyonek.

April 17-19. Nondalton.

We will try to get to Venatle and Chalkyitsik with the new Fairbanks chapter late April early May.

May 3-5 Nondalton/ Tyonek.

May and June are usually VBS transportation for the kids from Anvik, Grayling and Galena.

Robert Lewis and the Grayling kids arrive 7 pm Wednesday February 25th,
